Visitors Policy

PURPOSE

The purpose of this policy is to provide a safe and secure environment for our students, staff and resources by establishing guidelines and procedures in relation to visitors to the school that effectively monitors and manages visitors, whilst not compromising the open and inviting nature of the school.

The school, as part of the wider community, seeks to provide an open and friendly learning environment where appropriate visitors are valued and their presence is actively encouraged. At the same time we recognise our duty of care to ensure a safe environment for our students and staff and our responsibility to protect our resources against theft, vandalism and misuse.

POLICY IMPLEMENTATION

At Moonee Ponds West Primary School we aim to:

- Provide a safe and secure environment for our students, staff and resources.
- Establish protocols and procedures that effectively monitor and manage visitors, while not compromising the open and inclusive nature of our school.

DUTY OF CARE

The school has a duty of care to appropriately supervise students.

Visitors who are attending the school to deliver incursions, presentations, seminars or other activities and programs to students will be fully supervised by school staff at all times during these sessions and when working with students. This is to ensure that the content delivered by the visitor is suitable for students and that students are not left unsupervised with visitors to the school.

On the basis that schools are not public places, but are institutions for learning in the spirit of public education, the principal has ultimate discretion to approve or not approve a potential visitor. The Principal also has the authority to exclude people from being on school grounds outside of school operating hours.

When deciding to approve a visitor, the Principal will consider the visitor's purpose and the benefit to be derived by the students from the visit, specifically:

- the educational merit of the visit;
- the level of disruption to the functioning of the school in relation to the potential benefits to students;
- whether the proposed visit is consistent with the values of public education; and the potential for the visitor to cause controversy within the school or broader community

All visitors are required to report to the administration office prior to undertaking any activity within the schools. They are required to sign in via the Compass Kiosk and will be assigned a "Visitor" badge which they must wear at all times within the school. At the end of their visit, visitors must report to the administration office to return their badge and sign out in the Visitors Book.

This process will be published in school communications and will be displayed at all school entrances.

All visitors are required to comply with the schools Statement of Values and/or code of conduct. Visitors who fail to follow directions will be directed to the Administration Office and/or escorted from the premises.

The school's emergency management procedures will ensure that visitors within the School at the time of any emergency or practice drill will be recognised and be appropriately catered for.

Endorsed by School Council: The policy will be reviewed as part of the review cycle, in line with DET policy and directives. Due to be reviewed in 2021.

1. The Principal has operational responsibility in relation to the visitors who are allowed into Moonee Ponds West Primary School, for what purpose and on what conditions. All visitors to the school are there at the discretion of the Principal.
2. All visitors during school hours are required to register their arrival at, and departure from the school via the Compass Kiosk, including their name, signing, and recording the date, times and purpose of the visit. They will be given a visitors badge and must wear it for the duration of the visit. A visitor not wearing a current badge may be questioned as to the reason for their presence by staff, students or parents. They may be escorted to the office to sign in and obtain a current visitors badge.
3. Parents or carers picking up children early are required to sign in and out using the Compass Kiosk at the Office.
4. In the event of an emergency, while they are on school grounds, visitors will follow instructions given by any member of school staff.
5. When visiting a classroom, parents/carers accept the authority of the teacher and that they are in attendance on the teacher's terms. Teachers value parental involvement and assistance, but they may ask a parent/carer to leave a classroom or class activity.
6. Under the Working with Children Act 2005, volunteers or paid workers in the school are required to have a current Working with Children Check. All visitors to the school, having direct contact with children, will be required to possess a Working with Children Check (WWCC). A register of WWCC is maintained by the school and is kept in the office.
7. Maintenance contractors will be required to present identification and complete necessary paperwork in relation to the work at the school.
8. Visitors needing to take photos (e.g. surveyors, architects) will be escorted by the Principal or a designated member of staff.
