POLICY

Moonee Ponds West Primary School welcomes feedback, both positive and negative, and is committed to continuous improvement. We value open communication with our families and are committed to understanding complaints and addressing them appropriately. We recognise that the complaints process provides an important opportunity for reflection and learning.

We value and encourage open and positive relationships with our school community. We understand that it is in the best interests of students for there to be a trusting relationship between families and our school.

When addressing a complaint, it is expected that all parties will:

- be considerate of each other's views and respect each other's role
- be focused on resolution of the complaint, with the interests of the student involved at the centre
- act in good faith and cooperation
- behave with respect and courtesy
- respect the privacy and confidentiality of those involved, as appropriate
- operate within and seek reasonable resolutions that comply with any applicable legislation and Department policy.
- recognise that schools and the Department may be subject to legal constraints on their ability to act or disclose information in some circumstances.

Complaints and concerns process for students

Moonee Ponds West Primary School acknowledges that issues or concerns can cause stress or worry for students and impact their wellbeing and learning. Our school encourages students to raise issues or concerns as they arise so that we can work together to resolve them.

Students with a concern or complaint can raise them with a trusted adult at school, for example, with their classroom teacher, year level team leader, Education Support staff, Assistant Principal, Principal or another trusted adult in the school. This person will take the concern or complaint seriously and will explain what steps can be taken to try to resolve the issue and offer support.

Students can also ask their parents, carers or another trusted adult outside of the school, to talk to the school about the issue instead. Information about our parent/carer complaints and concerns process is outlined further below. The parent/carer process also applies to students who are mature minors, refer to: [Mature Minors and Decision Making](#).

Other ways students can raise a concern or complaint with the school include:

- talking to a member of the Junior School Council about the concern and any suggestions for resolving it
- participating in our Attitudes to School Survey (for Grades 4-6)
- participating in our student forums held every term
- writing a note or letter to a trusted adult

Further information and resources to support students to raise issues or concerns are available at:

Complaints and concerns process for parents, carers and community members

Preparation for raising a concern or complaint

Moonee Ponds West Primary School encourages parents, carers or members of the community who may wish to submit a complaint to:

- carefully consider the issues you would like to discuss
- remember you may not have all the facts relating to the issues that you want to raise
- think about how the matter could be resolved
- be informed by checking the policies and guidelines set by the Department and Moonee Ponds West Primary School (see “Further Information and Resources” section below).

Support person

Anyone is welcome to have a support person to assist in raising a complaint or concern with the school. Please advise if you wish to have a support person to assist, and provide their name, contact details, and their relationship to who is raising a concern or complaint.

Raising a concern

Our school is always happy to discuss with parents/carers and community members any concerns that they may have. Concerns in the first instance should be directed to:

STEP 1: The **student’s teacher** or home group teacher about learning issues and incidents that happened in their class or group

STEP 2: The **year level leader** if students from several classes are involved

STEP 3: The **Assistant Principal** about issues relating to staff members or complex student issues or the **Principal** about issues relating to school policy, school management, staff members or very complex student issues.

Where possible, school staff will work with the person raising the concern or complaint to ensure that it is appropriately addressed.

For contact details of any staff member, call the office on 9370 6875 or email staff directly through the Compass School Management System portal.

If you are not sure who to contact, contact the Assistant Principal or Principal on 9370 6875.

Making a complaint

Where concerns cannot be resolved in this way, parents or community members may wish to make a formal complaint to the Principal or Assistant Principal.

If making a formal complaint, in most cases, depending on the nature of the complaint raised, our school will first seek to understand the issues and will then convene a resolution meeting with the aim of resolving the complaint together. The following process will apply:

1. **Complaint received:** Please either email, telephone or arrange a meeting through the front office with the Assistant Principal or Principal, to outline your complaint so that we can fully

understand what the issues are. We can discuss your complaint in a way that is convenient for you, whether in writing, in person or over the phone.

2. **Information gathering:** Depending on the issues raised in the complaint, the Principal, Assistant Principal or nominee may need to gather further information to properly understand the situation. This process may also involve speaking to others to obtain details about the situation or the concerns raised.
3. **Response:** Where possible, a resolution meeting will be arranged with the Assistant Principal/Principal to discuss the complaint with the objective of reaching a resolution satisfactory to all parties. In some circumstances, the Principal may determine that a resolution meeting would not be appropriate. In this situation, a response to the complaint will be provided in writing.
4. **Timelines:** Moonee Ponds West Primary School will acknowledge receipt of your complaint as soon as possible (usually within two school days) and will seek to resolve complaints in a timely manner. Depending on the complexity of the complaint, we may need some time to gather enough information to fully understand the circumstances of the complaint. We will endeavour to complete any necessary information gathering and hold a resolution meeting where appropriate within 10 working days of the complaint being raised. In situations where further time is required, we will consult with the person raising a complaint and discuss any interim solutions to the dispute that can be put in place.

Please note that unreasonable conduct (e.g. vexatious complaints) may need to be managed differently to the procedures in this policy.

Resolution

Where appropriate, Moonee Ponds West Primary School may seek to resolve a complaint by:

- an explanation or further information about the issue
- an apology or expression of regret
- a change of decision
- a change of policy, procedure or practice
- offering the opportunity for student counselling or other support
- other actions consistent with school values that are intended to support the student, parent and school relationship, engagement, and participation in the school community.

In some circumstances, the school may also ask you to attend a meeting with an independent third party, or participate in a mediation with an accredited mediator to assist in the resolution of the dispute.

Escalation

If you are not satisfied that your complaint has been resolved by the school, or if your complaint is about the Principal and you do not want to raise it directly with them, then the complaint should be referred to the South Western Victoria Region by contacting swvr@edumail.vic.gov.au or phone 1300 333 232.

Moonee Ponds West Primary School may also refer a complaint to South Western Victoria Region if we believe that we have done all we can to address the complaint.

For more information about the Department’s parent complaints process, including the role of the Regional Office, please see: [Raise a complaint or concern about your school.](#)
