### VISION

Moonee Ponds West Primary School's vision is 'We think, create and learn together'.

## MISSION/PURPOSE

Our school's mission is 'Young people will leave MPW as knowledgeable, independent, critical thinking individuals able to take their place in the world with capacity and courage to create a better future. The MPW community do this by nurturing compassion, creativity and a love of learning.'

## OBJECTIVE

Our school's objectives are considered as part of the 4 yearly strategic planning process and reflected in the goals listed in our current School Strategic Plan (SSP). We also develop an Annual Implementation Plan to operationalise the goals and key improvement strategies contained in our SSP.

## SCHOOL PHILOSOPHY

The social, emotional, physical and academic wellbeing of our students underpins all practices at MPW. A positive self-image is necessary for effective learning to occur. These aspects of the whole child need to be equally nurtured to ensure that students experience success.

Children are at the centre of planning and are unique individuals with a powerful capacity to contribute and learn. MPW is child centred with an emphasis on deep inquiry, critical thinking and creativity. Inquiry through exploration, investigation and play in meaningful experiences provides opportunity to engage and involve children. Through structured and unstructured, teacher and student-led experiences, children construct their understandings of the world.

Learning is a continuum and each child is supported to move along the learning continuum and build on their achievements, ability, interests and knowledge. Children are supported to feel secure to take risks.

All children and their opinions are valued. Learning experiences are planned to challenge bias and stereotypes where respect for the rights of individuals and an acceptance for difference enable children to participate in society.

## VALUES

Moonee Ponds West Primary School's values are:

- Collaboration
- Creativity
- Critical Thinking
- Courage
