Dear Parents and Carers

Moonee Ponds West Primary School is looking forward to another great year of teaching and learning and would like to advise you of the voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. The range of experiences and educational enrichment like Hall are offered as a result of parental support.

We want to thank you for this ongoing support, whether that's through fundraising or volunteering your time. Your continued support makes a huge difference to our school and the learning opportunities for our children

Some of the items that have benefitted from your support for 2021 are listed below.

- Offer a wide range of subjects and special curriculum experiences for our students across all year levels, including our excursion and incursion opportunities, Creative Arts and Japanese learning experience, interschool sport, Bluearth and of course the exploration and fun that occurs in Hall.
- Assessment support kits for the staff to use with students
- Online subscriptions for remote and Flexible Learning
- Maintenance of technology across the school
- Refurbishment of school grounds, with particular focus on the continued development of the wicker beds in Jack's Paddock

Please find below Moonee Ponds West Primary Schools contributions schedule for 2022, which includes an overview of what your contributions will support in 2022. Please find attached for your use at the end of the documents, a one-page contributions schedule to assist with payment.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,
