

November 2025

Dear Parents and Carers

The following information advises families of the voluntary financial contributions for 2026 that enable Moonee Ponds West Primary School to provide another year of engaging teaching and learning opportunities for all our students.

Schools provide students with free instruction to fulfil the standard Victorian curriculum, and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer our students the best possible education and support. The range of experiences and educational enrichment are offered because of parental support.

Your continued support makes an enormous difference to our school and the learning opportunities for our children especially for us to offer a wide range of subjects and special curriculum experiences for our students across all year levels including:

- Our inclusive excursion and incursion opportunities that all students are expected to attend
- Specialist program delivery of Creative Arts, Physical Education and Japanese, senior sports and of course the exploration and fun that occurs in all classrooms
- Online subscriptions to support learning such as **Matific and Sunshine Online**
- Maintenance of technology across the school – **Supporting technology use and infrastructure across the school**
- Continual school grounds improvements

Please find below the Moonee Ponds West Primary Schools voluntary contributions schedule for 2026, which includes an overview of what your contributions will support in upcoming school year. Please find attached for your use at the end of the documents, a one-page contributions schedule to assist with payment. We invite you to support our school by making a curriculum contribution, so that we can continue to maximise provision of all these opportunities for all students at Moonee Ponds West.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Jarrod Sutton
