13<sup>th</sup> December 2022

Dear Parents and Carers of Moonee Ponds West PS

Following the retirement of Kerri Simpson at the end of Term 2, the process to appoint a new substantive Principal for Moonee Ponds West Primary School was initiated.

Following the Department of Education guidelines and processes, this appointment required advertising the position, interview processes, recommendation to School Council for ratification, and recommendation to the Education Department for final approval. The process to appoint a new Principal for Moonee Ponds West Primary School has now been completed. School Council would like to congratulate Jarrod Sutton who has been successfully appointed as Principal.

This is exciting news for the school community especially as 2023 is the first year of our new school strategic plan following the school review.

I would like to take this opportunity to thank the selection panel and members of the School Council for participating in this process.

The school has commenced the process to put in place an Assistant Principal to start the 2023 school year, we are also finalising the appointment of a Learning Specialist for the next three years.

Kind Regards

Brian Stanley

School Council President on behalf of the Moonee Ponds West Primary School Council
