

Moonee Vale Instrumental Music Program Contract 2023

Dear Parents /Carers,

To ensure that your child understands the commitment necessary to gain the most benefit from the MVIMP Program, we ask that you and your child **read, discuss, and sign the Student Contract** below.

I understand that while the instrument is in my child's care, I will be responsible for its safekeeping. (This may involve it being included in your personal home contents insurance).

I understand that the instrument on loan to my child is valued at its *current market value* for replacement purposes. (The serial number has been recorded by your child's music teacher).

I have discussed the contract with my child, and I am confident he/she understands what is involved.

I agree to make the MVIMP payments of \$1040 for the year, or \$260 in four installments by Week 4 of each Term (*or previously negotiated discounted amount*). Please note that \$1040 is the cost of the full fee, there are reduced fees for concession card holders or students providing their own instruments. **I am aware my child will be excluded from the program if I do not make these payments.**

- I must practice as often as my teacher advises.
- I must not let anyone else play or handle the instrument.
- If my instrument is damaged or not working, I must return it immediately to the MVIMP Music Co-Ordinator. I must **not** attempt to repair or have the instrument repaired.
