

# Our Vision and Values

## Vision

"Young people will leave MPW as knowledgeable, independent, critical - thinking individuals able to take their place in the world with capacity and courage to create a better future. The MPW community do this by nurturing compassion, creativity and a love of learning"

## Values

- Compassion
- Courage
- Creativity
- Critical Thinking

The 2019 School Review acknowledged the collaborative process for developing the school's Vision and Values statement. The recommendation was for simplicity and to include a statements about learning in the Vision and Values. The School Council has, through the Education Committee taken on forming a timeline for this work to be completed in early 2020.
